Quadricolor contact lenses

Glamour is the ultimate creation and the newest integration to our color contact lenses offer.

Glamour is a set providing all the tools for a perfect make up and eye look:

+ The newly selected monthly contact lens in Quadricolor pattern gives a natural and brightening effect, thanks to the combination of two shades of hazel on the inner ring of the lens. This lens is available in 5 different colors.

+ High quality eyeshadows and mascara, applicator and mirror complete the Glamour set for an enhanced eye make up. Eyeshadow are available in 2 options of color.
